Lou:

This is what I found out.

Site Name: Frank J. Doyle Site
SSID: 061D
EPA ID: TXD980865109
Location: Cottonwood Drive, Leonard, Fannin County, Texas
Employee: Robert Sullivan

My suggestion is to call Chris Petersen and see if he can assist in locating the file on this site. I am not sure what may have been done. My assumption would be that we may have done a removal assessment but we will not know until the file could be located. This site came up once before but I don't know if anyone was ever assigned. Robert Sullivan is now an RPM. He was an OSC at the time this would have been looked at.

Thanks
